

Anti-social Behaviour Action Plan - Updated September 2010

Resource Number	Outcome	Local measures	Lead Agency	Stakeholders	Resource		Staff Level or Rank		Source Agency	Resource		Priority Ranking - 1 = vital to business, 2 = important but can wait, 3	Issue with resourcing by lead agency Y/N	Red	Amber	Green	Update
					Staff Time	Specialist (S) or Generalist (G)	Officer	Manager		££	Source of ££						
1a	Perceptions around drug dealing for communities of North Devon and Torridge related to Drug Use and dealing to be improved (as measured by the Place Survey)	Standard of Drug related PR in weekly publications and radio news bulletins vs those published including context and confidence messages to be evaluated monthly, reported quarterly to establish a baseline standard.	LSP Joint Communications Team	ASB Steering Group	2 days	G	Officer		YOT	0		1	N				Joint comms team to meet 27th July, this group will oversee the messages sent out including Drug Related Crime and Warrants.
1b		Managed by partnership communications group ongoing spocs to be identified within ward teams supported by INSP Sarney	Police (Sgt Mark Harper)	ASB Steering Group						0							
2a	Users of our night time economy are aware of the Three Strikes scheme and the benefits it offers to a safe and sociable night out locally.	Numbers of Three Strikes PR in weekly publications and radio news bulletins on general night time economy or specific ASBO's or drink banning orders.90 % Take up on 3 strikes by licensed premises.100% distribution off adaction leaflet to all offenders identified.Quarterly feature in mainline press.	LSP Joint Communications Team	ASB Steering Group						0							Positive use of scheme with over 40 individuals being issued first stage letters.
3a	Residents of northern Devon who are defined as "high risk" in the community through the harm reduction register can be offered a multi-agency care plan to deliver improved outcomes for them and their local community.	Team being pulled together with view to collect individual agency data process of sorting information and problem solving being developed.	Police (Supt Kevin Harris)	ASB Steering Group						0							CSP board approved the roll out of a new Harm Risk Register with immediate effect review due at October CSP board meeting.
4a	Residents of Ilfracombe to be offered extra support through structured community engagement to improve perceptions of ASB in their area. (This area is identified in the place survey as one of the highest areas in Devon for perception of ASB being a problem)	Officer hours contributed to Ilfracombe Young People	Police (Ilfracombe neighbourhood beat team)	ASB Steering Group, Transform						0							On track, work in progress.
4b		Number of general PR mentions of activity/Number of young people directly engaged over this activity? Increased number of pupils receiving educational input mapped onto trends for logs demonstrating impact. Aim to reduce number of logs recorded. Target to be set by Ilfracombe team by end May 10	Police (Ilfracombe neighbourhood beat team)	ASB Steering Group, Transform						0							On track, work in progress.
4d		Number of public viewings of the film - average audience rate/ Number of PR mentions of activity in local media/Perceptions of ASB for Ilfracombe - Targets to be set by next ASB steering group meeting.	Police (Sgt Ian Dawson)	ASB Steering Group, Transform						3,500							
5a	All year 7 students receive input in their first year of secondary school on ASB, how it might affect them or how their behaviour can be perceived by others improving confidence in young people and the wider community.	% of year 7 students who have attended input/% young people on ASB escalation process to not increase? Currently establishing if Junior Life Skills is appropriate forum. YIO'S developing structure with Kate Morne.	Police YIO and ASB Officer	ASB Steering Group, EWO's						0							Meeting to be arranged by Kate Morne and YIOs to determine how this can be run in schools throughout North Devon
6a	All neighbourhoods will be aware of what a our local reponse to underage drinking looks like, and for results of any local initiatives which improve seasonal problems to be shared and promoted.	ASB Problem Profile has been completed and information researched. Results do evidence a huge problem only 7.3% committing ASB in Barnstaple and 8.5% Bideford.No statistical evidence to suggest large groups of underage drinkers. By far the biggest group of adult offenders is the adult 18-24yr range. The night time economy and 3 strikes scheme. Further initiatives for this age in hand with large group 'what costume are you wearing tonight'.	Police (Sgt Mark Harper) and Y-Smart	ASB Steering Group						0							The evidence doesn't provide us with the needs in this specific young people group. Op Assure being run by police and supported through Violent Crime Group will address the needs for the new identified age range of 18-24year olds. The CSP board approved that this action be removed.
6b			Police (Sgt Mark Harper) and Y-Smart	ASB Steering Group						0							
7	Community to retain confidence in the ASB escalation process and the effective enforcement of the ASB legislation locally.	Request a minimum number of magistrates training input over 12 month period -	SND	ASB Steering Group						0							Magistrate lead that attends ASB steering group will request any training required as and when needed.
7b		Number of officers or % of frontline staff trained to required standard./Number of specific PR mentions of activity with context and key messages included.	NST & SND & SPOC's	ASB Steering Group						0							Training given to magistrates on drink banning orders. Home office guidance materials provided to magistrates for information.
