

- **Firebreak**

Firebreak is a personal development scheme for Key Stage 4 pupils (ages 14-16 years). It provides a novel Fire and Rescue Service themed educational diet designed to compliment and enhance the school curriculum.

- **Fire Cadets**

Devon & Somerset Fire & Rescue Service operates two fire cadet units, giving boys and girls aged 11 to 17 the opportunity to work with Fire and Rescue Service equipment and learn to work together as a team.

- **Firesetters Intervention Programme**

Our Firesetter Intervention programme is designed to address firesetting behaviour amongst children and young people up to the age of 19 years.

- **Phoenix**

Phoenix is a six month programme, primarily designed to reduce fire risk and fire related crime within local communities by working with 'at-risk' young people between the ages of 15-18 years.
