

Whatever costume
you're wearing tonight...

It won't look so amusing
if **you're behind bars**

Drunken and disorderly behaviour is not tolerated, and might end up with you being arrested and having a criminal record.

Devon & Cornwall Police
Building safer communities together

Enjoy your night out, but please think about how your actions can affect other people:

- Remember to keep the noise down on your way home and when walking between venues
- Place your empty glasses and bottles in a bin
- Respect other people's property
- Know your limits, alcohol can affect your judgement and awareness of risk
- Never enter the water after drinking

Keep **North Devon** a **beautiful** and **enjoyable place** for everyone to visit
