

Violent Crime Plan - Updated September 2010

Resource Number	Outcome	SMART Targets	Lead Agency	Stakeholders	Red	Amber	Green	Update
3a	Communities of Northern Devon are aware of the ongoing work carried out by all agencies to keep our night time activity safe in town centres of Bideford, Barnstaple and Ilfracombe, leading to an improved confidence for those who live, work and visit.	An ongoing PR campaign for scheduled activity in community media for the whole of FY10/11 with shared messages from all agencies.	SND	Violent Crime Action Group				Group acknowledged that whilst significant PR is ongoing with particular success over 3 strikes in past 8 weeks, it should be practically sharing all PR internally to help profile work in partner and community publications. Action for all stakeholders. THIS ACTION HAS BEEN AGREED BUT TO DATE NOTHING HAS BEEN SHARED WITH SND - Reminder sent w/c 13th September 10.
3b		Support to a Night Time Economy group seasonal alcohol campaign to be developed during 1 <sup>st</sup> half 2010 and approved at September 2010 Night Time Economy meeting. LSP to be advised of any resource implications.	SND	Violent Crime Action Group				SND collecting information from all agencies on the work proposed for Alcohol Awareness Week 18-24 October. Schedule arranged. PR proposed for SND sponsored projects and support to raise awareness of partner projects that week and afterwards.
4a		Project to support vulnerable repeat missing young people in the Northern Devon	Police Nhood Support	Violent Crime Action Group				On track, new Youth Intervention Officer in post, update for October CSP Meeting
4b		IYSDS, Childrens Trust and Health and Wellbeing Group to respond to this request and agree actions. Report back to Violent Crime Group.	IYSDS/Childrens Trust Health & wellbeing Group	Violent Crime Action Group				Despite being raised at the LSP and requested as an update by the chair, no further information is available. Violent Crime Chair to make representations back to CSP board for progress and support that this action is sitting with the relevant group who can progress things. HEALTH AND WELBEING MEETING SCHEDULED FOR JULY CANCELLED. STILL NOT ADDRESSING THIS ISSUE.
4c		Promotional campaign to those out on Hen and Stag Nights with key safe drinking messages and access to support information. Launched in conjunction with press activity for residents and licensees. Initially launched in Woolacombe.	Police Nhood Support	Violent Crime Action Group				Initial campaign now run, will be reinstated again for New Year when further focus will be needed on this ongoing community problem. (Previous update: This has now changed to be more inclusive of "large groups". Promotional materials out, being used by Op Assure. Taxis holiday camps and buses being approached by licencing teams for their support. Copy available on SND website.)
4d		Passive Drug Dogs operations to be carried out with information offered on local support services available to those affected either directly or indirectly.	Police Nhood Support	Violent Crime Action Group				Awaiting update as operation comes to an end at the end of September (Activity ongoing as part of Op Assure)
4e		High profile activity of uniformed officers over the duration of the World Cup, offering enforcement and reassurance to residents and visitors.	Police Nhood Support	Violent Crime Action Group				Activity complete - no significant spike in issues reported, extensive presence on streets seen and well received.
4f		Op Assure re-informing links with military camps re shared response to issues involving services personnel (including DVA)	Police Lead Insp T Davies	Violent Crime Action Group				Awaiting update as operation comes to an end at the end of September (Activity ongoing as part of Op Assure)
4g		Relevant and proportionate use of Section 30 and Section 27 Powers to prevent issues in our town centres or where groups of people might congregate causing increased fear and low confidence	Police Lead Insp T Davies	Violent Crime Action Group				Ongoing activity. Being considered more robustly for Ilfracombe where trend in Night time economy violence is causing local concern.
4h	People of North Devon are supported to reduce the risk of becoming a victim of alcohol and drug related night time disorder with clear access to information and identified support through informal and formal education and engagement. (Actions also linked to Youth Crime Plan)	Alcohol Diversion Scheme established in Barnstaple for Northern Devon offering alternative to PND fines for those attending 3 hour structured alcohol training, delivered by Druglink. Commencing 4th December, supported by police, promoted by all agencies.	Probation/SND	Violent Crime Action Group				Successful capital bid for Devon has approved scheme for Barnstaple and Exeter. Work has commenced to establish training for staff, internal communications and alignment to the existing programmes of ASB Escalation and Three Strikes. SND to support local delivery where required. CSP board to review in Jan 11.
4i		Victims of Alcohol related violence are signposted to the relevant support services available in their local community. SND to work with North Devon Hospital A&E Department to produce relevant information for all those presenting with alcohol related injuries by end May 2010.	SND	Violent Crime Action Group				New SND officer now picked this project up after a period of dormancy. Initial introductory meeting planned Oct 10
4j		Night Time Economy users in Barnstaple, Bideford and Ilfracombe are able to confidently and safely access Taxis after a late night out and residents and local workers are not impacted detrimentally by this activity. Investigate the opportunity to move the existing taxi ranks in Boutport Street, Barnstaple and Oxford Grove, Ilfracombe where incidents of noise, disturbance and damage are an ongoing issue for residents. If realistic proposition then targets set.	NDC/SND	Violent Crime Action Group				Team member progressing this project has now left. This project will be resurrected by SND. Discussion around alternatives to moving the ranks, and the importance of parking enforcement in the area for Barnstaple. Group to make representation to NDC to ensure robust enforcement is used while problem solving continues.
4k		Night Time Economy users, workers and residents in Barnstaple, are able to confidently and safely access activities in our town centres without feeling intimidated. Residents and local workers are not impacted detrimentally by this activity. Barnstaple Town Centre will be canvassed over one weekend in October to collect views of users and workers in our night time economy to gather key issues and solutions, analyse responses, resolve where possible and feedback to community.	Police/SND	Violent Crime Action Group				Barnstaple Town Centre Night Time exercise to run 23rd October from 6pm-midnight. Police, Fire, SND staff involved. Seeking PR support from lead print media.
6	Outcomes to reduce repeat victimisation of Domestic Violence and Abuse victims locally	Production and distribution of single flyer identifying links and risks for DVA and Alcohol through all major supermarkets in Northern Devon signposting all alcohol and DV support services available locally. Distribution to be run during DV Awareness week and Alcohol awareness week for maximum awareness and impact.	SND/Police/NDWA					Flyer designed, under consultation ready for print. Police Alcohol lead managing distribution and allocation. SND producing PR and managing message locally.
7a	Ensure that all residents of North Devon have ongoing awareness of the 3 Strikes Scheme and its progress, and that all those identified are given early access to specialist alcohol support.	Ongoing PR mapping success and case studies to be maintained with all media	Police lead PC P Daw	Violent Crime Action Group				On track, front page PR in Gazette on 2 occasions, promoted in SND newsletters with 10k copies and in North Devon Direct and Torridge DC Magazines. New promotion during alcohol awareness week October 18th-24th
7b		Addaction literature to accompany all warning letters, and all personal visits to include opportunity for Addaction accompaniment	Police lead PC P Daw/Addaction	Violent Crime Action Group				All letters and yellow cards contain information addaction to enhance existing contact information.
<b>ACTIONS REMOVED - Approved by CSP Board</b>								
1	Users of our Night Time Economy in Barnstaple, Bideford and Ilfracombe are consulted with face to face and asked what they enjoy about being out in our town centres and asked what they would like to see improved. Those consulted are aware how their input has been used to respond with local actions or changes. Confidence improves over the following 12 months when survey is re-issued and measured.	TBA - Staff vacancies have placed this at risk. Update during May 2010	SND	Violent Crime Action Group				Action removed due to resource implications from ongoing budget cuts within team.
2a	Night Time Economy users in Barnstaple, Bideford and Ilfracombe are able to confidently and safely access Taxis after a late night out and residents and local workers are not impacted detrimentally by this activity.	Explore sustainable funding for taxi marshalling for ranks in Bideford and Barnstaple. Establish if any available before any further targets set	TDC/NDC	Violent Crime Action Group				Unable to establish funding through SND. TDC continues to explore this option.
5a	Night Time Economy Users, workers and residents in Barnstaple, Bideford and Ilfracombe are able to confidently and safely access activities in our town centres without feeling intimidated. Residents and local workers are not impacted detrimentally by this activity.	DSFRS to research and recommend generic solutions to obstruction from smokers on the streets adopted in other areas.	DSFRS	Violent Crime Action Group				Group debated findings which reported no clear solution with constraints of legislation, enforcement powers and our own geographical profile. Group agreed to keep a watching brief on this, but to work on a case by case basis through joint licencing/environmental health and neighbourhood teams to resolve emerging problems with specific premises.
