

Youth Crime Prevention Plan - Updated September 2010

Resource Number	Outcome	SMART Targets	Red	Amber	Green	Update
1a	Family Intervention Project (FIP): To improve outcomes for nominated families with high risk of offending and ASB by working with FIP Project across North Devon and Torridge.	To refer a minimum of 6 families to the FIP through the ASB escalation process by April 2011				FIP currently working with five families
		All ASB meeting meeting minutes to reflect input into all FIP referrals. (Monitored by ASB meeting chair)				Regular updates at monthly ASB meetings
1b	Family Intervention Project (FIP): For LSP to be made aware of the local cost benefit of the FIP and make decision on strategic commissioning of the service for 2011 onwards	An evaluation of benefits of those families engaged in FIP produced by Youth Crime Prevention lead, shared with IYSDS and relevant stakeholders, present to LSP board in September.				Report presented to I YSDS group in September 2010.
2a	Deter Young Offenders DYO: An established standardised procedure in North Devon and Torridge to work with high risk offenders improving outcomes for young people contributing to a reduction in reoffending rate of identified young people and increasing access to relevant support services.	A standardised procedure developed and supported by all relevant agencies by May 2010				Achieved
		DYO plan written by YOT representative for each young person and reviewed monthly at DYO meeting (ongoing)				Ongoing
		An evaluation report to be provided to IYSDS measuring the improvement in behaviour and services accessed by those on the DYO list presented to IYSDS using Asset scoring, re offending rates and YP reviews by April 2011				Ongoing
		Leaflet produced and actively used to inform young people and their families of the reasons why they are on the DYO list. To inform partner agencies of what DYO means.				Completed. To be provided to group.
	Deter Young Offenders DYO - An established budget providing additional resources where diversion activities are identified as being a good solution for those engaging under DYO Programme, allocated by the DYO meeting.	A report to be provided to IYSDS on a 6 monthly basis evaluating provisions provided to those young people on the DYO list and an analysis of its benefits in reducing their risk of re-offending. First report due Sept 10.				Budget discussed on a monthly basis at DYO meeting. Report to be presented in Sept. Current budget spent £470 on individual high risk young person. A further £250 agreed and allocated for sessional work with another young person.

Youth Crime Prevention Plan - Updated September 2010

3	Improved support to vulnerable looked after young people: A Care Home Protocol allowing proactive and relevant information sharing between private care providers, private foster parents, the YOT and the Police regarding young people who move into Devon.	Protocol to be established for multi agency sign up regarding young people in care with current involvement with the YOT and Police written by 30th June 2010. to be implemented by 30th September 2010.				Meeting arranged with Thor Beverley to discuss proposed protocol. Thor Beverley currently liaising with South Devon re care policies.
4	Public confidence regarding Youth Crime and ASB: A series of high profile awareness activities raising of the positive contributions made by young people locally linked to the Communicating for Confidence work delivered by SND.	IYSDS to share examples of positive activities within their service on a monthly basis at meeting. Methods of appropriate communication to the community of these stories will be determined by this group. Ongoing activity.				Needs to be a standing agenda item at IYSDS meeting. IYSDS position currently not clear and this will be reviewed in November 2010.
5	Young People and Alcohol: Positive activities directed by Y-Smart in partnership with the Police. Targeted teenagers through ASB process and YIO's will have access to information on personal safety practices for a "Safe Night Out"	Police YIO's and Young Peoples support agencies to consult and develop local campaign based on national best practice in line with Devon Alcohol Awareness partnership. Alcohol Awareness film to be produced by young people in North Devon as an educational tool. By 01/01/2011				The evidence doesn't provide us with the needs in this specific young people group. Op Assure being run by police and supported through Violent Crime Group will address the needs for the new identified age range of 18-24 year olds. This action to be removed. The Alcohol Awareness Week theme this year is Alcohol Using Parents, this will be adopted by SND and progressed as appropriate.
7	Youth Diversion Project : A Phoenix Course delivered in Barnstaple with referrals from young people through IYSDS agencies.	IYSDS to establish if local agency match funding can be found which will dictate the type of referral and the targets set. Further funding from IYSDS group to be identified to support SND by June 2010				YOT to determine how many places they will be funding. Social Services and YISP also required to provide this information.
8	ASB Clinics in schools are carried out in areas of greatest need and young people and families are benefiting from early support and intervention	Police YIO to produce a 6 monthly report for IYSDS of progress and outcomes locally. First report Sept 10				Awaiting review in Sept 10. (See attached report)
9	Parents of young people who have demonstrated early signs of alcohol misuse to have access to structured parenting support locally. For the wider community to be aware of this support to improve confidence that the problem is being dealt with through partnership.	Link to ASB plan action. Parents to be offered a number of support packages, interventions currently available in North Devon to address their needs. To be in place by Jan 2010 with individual targets set.				Will be linked with Alcohol Awareness week activity and may take the form of a campaign as the referral route and provision of these parenting support services are not viable at present.
11	Project to support vulnerable repeat missing young people in the Northern Devon	YIO to work with young people to divert them from repeat episodes through direct one to one intervention and RJ with families. Reduction in repeat episodes of Missing Young Person logs (targets to be established by Mark Harper- Police)				Work ongoing with YIO's, request under way to evaluate trends in missing young people, influences and key measures of success. Work to be updated by MH as available.
12	Develop engagement opportunities with young people through sport	Develop Braunton model for Northern Devon. YIO led. (targets to be established by Mark Harper- Police)				Running in Torrington, next target for spring 11 is Barnstaple. Work under way to continue rollout in Autumn term 11.
